2. Definitions

- 1) "Error" is a mistake, misprint, misinterpretation, mishearing, misreading, mistranslation, spelling mistake, technical hazard, registration error, transaction error, manifest error, force majeure and/or similar. Examples of errors include, but are not limited to:
 - bets accepted during technical problems that would otherwise not have been accepted;
 - bets placed on events/offers that have already been started or decided;
 - bets on markets containing incorrect participants;
 - bets placed at odds that are materially different from those available in the general market at the time the bet was placed;
 - bets offered at odds which reflect an incorrect score situation; or else,
 - odds being clearly incorrect given the chance of the event occurring at the time the bet was placed.
- 2) "Influence Betting" is an act, prohibited by the Operator, where a Customer, or parties acting in association with a Customer, can influence the outcome of a match or an event - directly or indirectly.
- 3) "Syndicate Betting" is an act, prohibited by the Operator, where Customers act together to place a series of bets on the same event or competition. Where there is evidence of Customers acting together in this manner the Operator reserves the right to make the relevant bets void and/or withhold payment of returns pending the outcome of subsequent investigations.

3. Bet Acceptance

- 1) Unless accepted in Error, once accepted, a bet will remain valid and cannot be withdrawn. It is the responsibility of the Customer to ensure details of the bets placed are correct. Under no circumstance the Operator will accept any responsibility for any mistakes (perceived and actual), deriving from either Errors or any other reason, such as but not limited to, incorrect listing of the odds/betting objects.
- 2) Should a dispute arise about the acceptance (or lack thereof) of any transaction, the transaction log database will be the ultimate authority in deciding such matters.

4. Betting and Payout Limitations

- 1) The Operator reserves the right to limit the net payout (the payout after the stake has been deducted) on any bet or combination of bets by one Customer. This limit may be lower depending on the specific sport, league and type of bet offer. For further information it is recommended to consult the Sport Specific Limits in the House Rules.
- 2) All bet selections are subject to pre-imposed limits set solely at the Operator's discretion which may be lower than the limits mentioned in these House Rules. Should this limit be reached, the Customer has the right to ask for it to be exceeded by means of a request effected through the Operator's Sports Book. The Operator reserves the right to accept (fully or partially) or reject the said request without any prior notice and further explanation.
- 3) The Operator reserves the right to decline, solely at its own discretion, all, or part of, any bet requested. This includes the possibility that a "System bet" as defined herein is not accepted in full, either in terms of stakes or combinations included in said "System bet".
- 4) All bets placed through any the Operator's Sports Book, also including bets requesting manual approval, may be subject to a time delay prior to acceptance, the length of which may vary. Such delay is to be determined by the Operator at its sole discretion.
- 5) The Operator reserves the right to withhold payment and/or to declare bets void on an event (or series of events), if there is sufficient evidence that any of the following has occurred:
 - a. the integrity of the event has been called into question;
 - b. the price(s) or pool has been manipulated;
 - c. Match-rigging has taken place, or the match is under investigation for such.

Evidence of the above may be based on the size, volume or pattern of bets placed with the Operator across any or all of its betting channels, as well as information received from other betting providers or officially recognized organizations.

- 6) All odds offered are subject to variation. Such fluctuation is determined solely at the Operator's discretion. Bets are accepted only at the odds available in the betting grid at the time the bet was accepted by the Operator, irrespective of any other claim or previous publication present on the website or any other media detailing otherwise.
- 7) All payout calculations when settling bets will be done based on Decimal odds, irrespective of any other format displayed/chosen at time of bet placement,

5. Cancellation (Voiding) of Bets

- 1) A bet can be declared void, and will be, in that event, settled with the odds of 1.00.
- 2) A bet made as an accumulative bet shall remain valid notwithstanding a match or an event which is part of the accumulative bet being void.
- 3) The Operator reserves the right, at its own discretion, to declare a bet void, totally or partly, if any of the following, or similar, circumstances have occurred
 - a. Bets have been offered, placed and/or accepted due to an Error and/or at odds which significantly differ from those currently present elsewhere in the betting industry market.
 - b. Bets have been offered with incorrect criteria resulting in ambiguous offers or invalid settlements (eg. Match Odds being offered with "Yes/No" options).
 - c. Bets placed while the website was encountering technical problems, that would otherwise not have been accepted;
 - d. Influence Betting;
 - e. Syndicate Betting;
 - f. A result has been affected by criminal actions - directly or indirectly;
 - g. A public announcement has occurred in relation to the bet which alters significantly the odds.
 - h. A bet has been offered on the relevant market in breach of the gambling regulation in the specific jurisdiction
- 4) Related contingencies: Unless placed via the Operator's in-event combination functionality, or offered explicitly as a specific offering, the Operator prohibits accumulator bets that include two or more outcomes which might turn out to be related (e.g. Team X to become champions and Player Y to be Top Goal Scorer in the same league). Although the Operator takes all necessary steps to prevent such possibilities, in the eventuality that this would happen, the Operator reserves the right, to declare void all parts of the accumulative bet which include the correlated outcomes whose odds are not indicative of the related contingency.
- 5) Bets can be voided regardless of whether the event has been settled or not.
- 6) Past-posting and other cancellations: While <The Operator> employs its most reasonable endeavours to ensure the best user-experience, should a market be available for betting when it should have been removed or else with incorrect odds, <The Operator> reserves the right to void all bets accepted within said circumstances in accordance with <Section A, Para 5.3>. Similar situations include, but are not limited to:
 - a. 'Pre-match' bets placed/accepted after the event has started;
 - b. 'Live' bets placed/accepted at incorrect odds due to delayed or failing 'Live' coverage, or on odds which represented a different score than the actual;
 - c. Bets placed following the last instance that a participant/outcome had any chance to influence the match/event scoring applicable to the relevant market and an eventual withdrawal/disqualification/cancellation/format change or anything which precludes the ability of the applicable participant/outcome to influence said scoring will be declared void;
 - d. Bets placed with odds which do not reflect that a related event was underway and where conditions could have been altered in a direct and indisputable way, or else after an event which could normally be deemed as leading to the outcome is happening or has happened already.

6. Disclaimer and Priority

- 1) The Operator reserves the right, at its own discretion, to adjust a payout credited to a Customer if it is obvious that the Payout has been made in Error.
- 2) Any complaints/disagreements towards settlement of any bet offer, should reach the Operator within 7 days of the initial settlement to require a full investigation. All other complaints will only be considered if indisputable evidence of an inaccurate settlement is presented by the Customer.
- 3) the Operator reserves the right to suspend access to the Sports Book until it completes any investigations it deems necessary.
- 4) These rules are applicable to all transactions with the Operator's Sports Book, and may be supplemented with other Rules. In the event of ambiguity, priority should be considered in the following order:
 - a) Rules and conditions published in conjunction with an offer and/or campaign;
 - b) Should these be inconclusive, reference will be made to the General Sports Book Rules, unless Sport-Specific Rules declare otherwise.
- 5) In cases where it deems that these Rules are inconclusive, the Operator reserves the right, according to its own discretion, to settle offers on an individual basis on the basis of equity, attaining itself to generally accepted betting norms, customs and definitions.
- 6) Adaptations into other languages of these House Rules, or any other text which can be associated with bet offers, are done for purely informative purposes. Although all necessary precautions have been taken to assure the most faithful rendition of these terms in the specific language, the Operator will not accept any liability for any incompatibility between the English version and any other language. Thus, in case of discrepancy between the English edition and the respective translation, the former will be deemed as binding and will be the basis upon which the offers will be settled.
- 7) Any data provided or accessible in, from or related to the Sports Book may be used by the Customer for private, non-commercial use only and any use or attempted use of such data for commercial purposes is strictly prohibited.
- 8) The Operator has the right to enforce a term of the contract relating to the Sports Book against any Customer.

B. General Betting Rules

1. Common Terms of Reference

- 1) Unless listed either in conjunction with the bet offer, or else in the Sport Specific rules, all bets should be considered valid for the result at the end of the "Regular Time" or "Full Time" only. "Regular Time" or "Full time" is defined as interpreted by the official rules published by the respective governing association. For example, in football, full time is stipulated to be 90 minutes including injury time, and in ice hockey it is stipulated as the 3 x 20 minute periods. Should the governing association decide to stipulate, before the start of the event, that the said event is to be played over a

- different duration, this will be treated as being the official rules for the event (for example, Under 17 soccer played with 2 x 40 minutes). Nonetheless, such occurrence is limited to the "regular" playing time and does not include any prolongation such as extra time or overtime, unless explicitly stated.
- 2) "Live Betting" is where it is possible to bet during an ongoing match or event. the Operator does not acknowledge or accept any liability whatsoever if it not possible to place a bet or the live score update is not correct. At all times it is the Customer's responsibility to be aware of the match and the events surrounding it such as the current score, its progression and how much time remains before the match is completed. the Operator does not accept any liability for changes to the Live Betting schedule or interruption of the Live Betting service.
 - 3) The [Cash Out] function allows the customer the possibility to redeem a bet, which status has not been settled yet, at its current value. It is available on selected events both in pre-match and live, as well as on both single and multiple bets. [Cash Out] requests might be subject to the same delay procedure as listed in <Section A, Para 4.2>. Should it happen that during this delay, for whatever reason, either the offer is removed, or odds fluctuate, the [Cash Out] request will not be accepted, and the Account Holder will be notified with an on-screen message. <The Operator> reserves the right to offer such functionality at its own discretion and does not acknowledge or accept any liability whatsoever should the functionality not be available. Should a [Cash Out] request be successful, the bet will be settled immediately and any subsequent events which occur in relation with the bet will not be considered. In the instance of a [Cash Out] bet having suffered from a technical, pricing or settlement error at any time between the time of original offering and the final settlement, <The Operator> reserves the right to rectify such inaccuracy in accordance with <Section A, Para 6.2>.
 - 4) The "Participant" is an object constituting part of an event. In "Head-to-Head" and "Triple-Head" the Participant only refers to objects that are subject to the "Head-to-Head" or "Triple-Head" event in question.
 - 5) The deadline (cut-off time) shown on any Sports Book displays is to be treated for information purposes only. the Operator reserves the right, at its own discretion, to suspend, partially or completely, the betting activity at any time where it deems necessary.
 - 6) Statistics or editorial text published at the Operator's site are to be considered as added information, but the Operator does not acknowledge or accept any liability whatsoever if the information is not correct. At all times it is the Customer's responsibility to be aware about circumstances relating to an event.
 - 7) Theoretical return in fixed odds betting to the player is given by the odds from all possible outcomes in the offer. The theoretical payback to a player on a bet offer with 3 outcomes a, b and c can be calculated as follows.
 - $\text{Theoretical \%} = 1 / (1 / \text{"odds outcome a"} + 1 / \text{"odds outcome b"} + 1 / \text{"odds outcome c"}) \times 100$

2. Bet Types

- 1) "Game" (aka Moneyline) is where it is possible to bet on the (partial or definite) outcome of a game or event. The options are: "1" = Home team/Player 1, or the participant listed to the left side of the offer; "X" = Draw/Tie, or the selection in the middle; "2" = Away team/Player 2, or the participant listed to the right side of the offer. In particular instances or specific competitions, the Operator might display an offer in the so-called "American" format (ie: Away Team @ Home Team), where the host team is listed following the visiting team. Irrespective of the positioning of the teams on the board/betslip, the references to "Home" and "Away" teams will always refer to the actual teams playing at home (host) and away (visitor) respectively, as determined by the official organization.
- 2) "Correct Score" (aka Result Betting) is where it is possible to bet on the (partial or definite) exact score of a match or event.
- 3) "Over/Under" (aka Totals) is where it is possible to bet on the (partial or definite) amount of a predefined occurrence (e.g. goals, points, corners, rebounds, etc.). Should the total amount of the listed occurrences be exactly equal to the betting line, then all bets on this offer will be declared void. Example: an offer where the betting line is 128.0 points and the match ends with the result 64-64 will be declared void.
- 4) "Odd/Even" is where it is possible to bet on the (partial or definite) amount of a predefined occurrence (e.g. goals, points, corners, rebounds, etc.). "Odd" is 1,3,5 etc.; "Even" is 0,2,4 etc.
- 5) A "Head-to-Head" and/or "Triple-Head" is a competition between two or three participants/outcomes, originating from either an officially organized event, or else, as virtually defined by the Operator.
- 6) "Half time/Full time" is where it is possible to bet on the result in half time and the final outcome of the match. E.g. if at Half time the score is 1-0 and the match ends 1-1, the winning outcome is 1/X. The bet is void if the regular time of the match is played in a different time format than those listed in the bet (i.e. other than two halves).
- 7) "Period betting" is where it is possible to bet on the outcome of each separate period within a match/event. E.g. If the period scores in an ice hockey match are 2-0 / 0-1 / 1-1, the winning outcome is 1/2/X. The bet is void if the regular time of the match is played in a different time format than those listed in the bet (i.e. other than three periods).
- 8) "Draw No Bet" is where it is possible to bet on either "1" or "2" as defined in <Section B, Para 2.1>. It is also common practice to refer to "Draw No Bet" in cases where no draw odds are offered. Should the specific match contain no winner (E.g. match ends as a draw), or the particular occurrence not happen (E.g. First Goal, Draw No Bet and match ends 0-0) the stakes will be refunded.
- 9) "Handicap" (aka Spread) is where it is possible to bet on whether the chosen outcome will be victorious once the listed handicap is added/subtracted (as applicable) to the match/period/total score to which the bet refers to. In those circumstances where the result after the adjustment of the handicap line is exactly equal to the betting line, then all bets on this offer will be declared void. Example: a bet on -3.0 goals will be declared void if the team chosen wins the match by exactly 3 goals difference (3-0,4-1, 5-2, etc). Any reference in this section to the term "margin" is intended to be understood as the outcome emerging from the subtraction of the goals/points scored by the 2 teams/participants.

Unless otherwise stated all handicaps listed on the Operator site are to be calculated based on the result from the start of the listed match/period to the end of the specified match/period. It is however customary that for certain handicap bet offers in specific sports (Asian Handicap in Football), only the outcomes obtained from the time of bet placement until the end of the listed timeframe will be taken into consideration, thus disregarding any goals/points scored before the time the bet was placed and accepted. Any bet offer with these characteristics will be clearly displayed on site and highlighted in the punter's Bet History with the score at the time of bet placement. There are 3 different "handicap betting" formats:

2-way Handicap: Team A (-1.5) vs Team B (+1.5) Example:

- Team A is given a -1.5 goal handicap in the match. For the bet to be won, Team A must win the match with a margin equal or bigger than the listed handicap (ie. 2 goals or more).
- Team B is given a +1.5 goal advantage in the match. For the bet to be won, Team B must either win the match, match finish in a draw or not lose with a margin equal or bigger than their listed advantage (ie. lose with a 1 goal margin).

3-way Handicap: Team A (-2) Draw (Exactly 2) Team B (+2) Example:

- Team A is given a 2 goal handicap in the match. For the bet to be won, Team A must win the match with a bigger margin than the listed handicap (ie. 3 goals or more).
- Draw would be the victorious outcome should the match end up with exactly the listed margin (ie. match ends with results such as 2-0, 3-1 and 4-2).
- Team B is given a 2 goal advantage in the match. For the bet to be won, Team B must either win the match, match finish in a draw or not lose with a margin equal or bigger than their listed advantage (ie. lose with only a 1 goal margin).

Asian Handicap: Team A (-1.75) vs Team B (+1.75) Example:

- Team A is given a -1.75 goal handicap in the match. This means that the stake is divided into 2 equal bets and placed on the outcomes -1.5 and -2.0. For the bet to be fully paid out at the listed odds, Team A must win the match with a bigger margin than both of their listed handicaps (ie. 3 goals or more margin). In the eventuality that Team A wins with only a 2 goal margin, the bet will be considered as partially won with a full payout on the -1.5 part of the bet and a refund on the -2.0 side since the outcome on that part of the bet would be considered a "tie". Should the match produce any other outcome, including a Team A victory with only 1 goal of margin, the whole stake would be lost.
 - Team B is given a +1.75 goal advantage in the match. This means that the stake is divided into 2 equal bets and placed on the outcomes +1.5 and +2.0. For the bet to be fully paid out at the listed odds, Team B must either win the match, match finish in a draw or not lose with a margin equal or bigger than any of their listed advantages (ie. lose with only a 1 goal margin). In the eventuality that Team B loses with exactly a 2 goal margin, the bet will be considered as partially lost with a refund on the -2.0 part of the bet and a loss on the -1.5 part of the bet. Should the match produce any other outcome which results in a defeat of Team B with a margin of 3 or more goals, the whole stake would be lost.
- 10) "Double Chance" is where it is possible to bet simultaneously on two (partial or definite) outcomes of a match or event. The options are: 1X, 12 and X2 with "1", "X" and "2" as defined in <Section B, Para 2.1>.
 - 11) "Outright" or "Place" betting is where it is possible to choose from a list of alternatives and bet on the eventuality that a participant wins or places within a specified position in the classification of the listed event/competition. Should two or more participants share finishing positions, the settlement will be based as per the definition in <Section B, Para 5.14>.
 - 12) An "Each Way" bet (aka EW) refers to a bet where the chosen selection must either Win or else Place within the payout terms. The bet is divided in two parts (the "Win" part and the "Place" part) of an equal stake. Settlement of such bets will take into account the applicable rules governing the "Win" and "Place" bets, namely the Sport-specific rules as well as <Section B, Para 5, Clause 11>.
 - 13) "Goal minutes" is where it is possible to bet on the sum of the minutes when the goals have been scored. When settling such bets, goals scored in injury time of both halves are to be considered as having been scored in the 45th minute in case the goal was scored in the first half injury time and the 90th minute in case the goal was scored in the second half injury time. Own goals will not count towards the settlement of individual player's 'goal minutes'.
 - 14) From time to time the Operator might decide to publish offerings referring either to the single performance of a participant/team; or offerings which combine the potential outcomes of 2 or more teams/participants (aka Parlays) (ex. Enhanced multiples), at higher odds than those normally available. the Operator reserves the right to withdraw such offers, edit the respective odds and effect any further changes the Operator might deem necessary at its sole discretion.

Settlement of these offers will be based on the following criteria:

1. Unless specifically stated the bets refer to the next official match/event/round (as applicable) that the listed participants/teams are scheduled to take part in.
2. All relative events must be completed within the same day/session (as applicable) as listed in conjunction with the offer. Should this not be the case, stakes placed on the offer will be fully refunded except for those offers the outcomes of which has been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.
3. Results for these offers will only take into account occurrences deriving from the actual play. Results attributable to walk-overs as well as other decisions as specified in clauses 2, 3 and 4 of <Section B, Para 5> will not be taken into consideration.
4. All connotations related to the bet must be fully and unquestionably complied with for the bet to be deemed as winning, regardless of any possible conflict with the Sport-Specific rules or with any potential interpretation based on previous or current presentation of offers related to events in that particular sport and the way these are normally presented in the Operator Sports Book. Bets will be settled as void should it still be impossible to determine a winning outcome.

While all necessary precautions have been taken by the Operator to ensure a superior user experience, it is to be understood that markets might fluctuate in such a way that at any given point in time these do not present an enhanced value comparable to related bet offers currently present on site.

- 15) "Teaser+" allows the user the possibility to allocate the same pre-set amount of points to all outcomes present in a parlay (combination) containing Spreads (Handicaps), Totals (Over/Unders) or a combination of both. Example: User combines NFL Team X +6.5 points in a parlay with Over 41 points in the NFL game between Team Y and Team Z. By choosing the "Teaser+ Football 6 points" option, the lines and odds get recalculated into a parlay featuring Team X +12.5 points (previously +6.5), combined with Over 35 points (previously Over 41). Should any part of a "Teaser+" bet be settled as void (push), that particular selection will be excluded from the parlay and the computation of odds/payout will be re-adjusted accordingly.

3. Betting Props

- 1) Fantasy/ "Matches" or "Head to Heads" are implicit match-ups where the performances of two or more participants/teams which are not directly confronting each other in the same match/event/round are compared. Settlement will be based on the number of times each participant records a predefined occurrence (e.g. goals) in the respective match. The following criteria will be used to determine the settlement of these type of offerings:
 - a. Unless specifically stated the bets refer to the next official match/event/round (as applicable) that the listed participants/teams are scheduled to take part in.
 - b. All relative matches/events must be completed on the same day/session which the match/event/round is scheduled to be completed for bets to stand, except for those offers the outcomes of which has been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.
 - c. Results for these offers will only take into account occurrences deriving from the actual play. Results attributable to walk-overs as well as other decisions as specified in clauses 2, 3 and 4 of <Section B, Para 5> will not be taken into consideration.
 - d. Should the aforementioned criteria be inconclusive in determining the outcome for these offers, the following criteria will be progressively referenced to in order to settle the offering:

- (i) the applicable Sport-specific rules as listed in <Section C>
- (ii) Result Settlement rules as listed in <Section B, Para 5>.

Bets will be settled as void should it still be impossible to determine a winning outcome.

- 2) It is possible to bet on the total number of listed occurrences (Example: Total Goals, Total Runs) happening in a collection of matches/events on a specified round/day/match day. All relative matches/events must be completed for bets to stand except for those the outcomes of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.
- 3) Over/Under bets on classification of participants in performances/events must be interpreted as follows: "Over" means a worse or lower position while "Under" means a better or higher position. Example: A bet on a player's classification in a tournament with an Over/Under line 2.5 will be settled as Under if the player classifies first or second. All other placements will be settled as Over.
- 4) Bets on "Quarter / Half / Period X" refer to the result/score achieved in the relevant timeframe and does not include any other points/goals/events tallied from other parts of the event/match. Bets will be voided if the match is played in any other format but the one stipulated in the offer.
- 5) Bets on "Result at end of Quarter / Half / Period X" refer to the result of the match/event after termination of the stipulated timeframe and will take into account all other points/goals/events tallied from previous parts of the event/match.
- 6) Bets on "Race to X Points / Race to X Goals..." and similar offers refer to the team/participant reaching the earliest the particular tally of points/goals/events. If the offer lists a timeframe (or any other period restriction) it will not include any other points/goals/events tallied from other parts of the event/match which are not related to the mentioned timeframe. Should the listed score not be reached within the stipulated timeframe (if any), all bets will be declared void, unless otherwise stated.
- 7) Bets on "Winner of Point X / Scorer of Goal X" and similar offers refer to the team/participant scoring/winning the listed occurrence. For the settlement of these offers, no reference to events happening prior to the listed occurrence will be taken into consideration. Should the listed event not be scored/won within the stipulated timeframe (if any), all bets will be declared void, unless otherwise stated.
- 8) different teams which are shown a card in the same interruption of play.
- 9) "Team to score first and win" refer to the listed team scoring the first goal in the match and going on to win the match. Should there be no goals in the match all bets will be settled as void.
- 10) Any reference to "clean sheet" indicates that the listed team must not concede any goal during the match.
- 11) "Team to win from behind" refers to the listed team winning the match after having been at least 1 goal down at any point in the match.
- 12) Any reference for a team to win all halves/periods (e.g. Team to win both halves) means that the listed team must score more goals than its opponent during all the stipulated halves/periods of the match.
- 13) Any reference to "Injury Time" refers to the amount displayed by the designated official and not to the actual amount played.
- 14) Settlement of bets on offers such as "Man of the Match", "Most Valuable Player" etc. will be based on the competition's organizers' decision, unless otherwise stated.
- 15) Settlement of bets which make reference to terms such as "decisive goal" will be settled based on the scorer of the goal that at the end of the match/tie (as applicable) proves to be the one that has produced an unassailable lead, following which any further goals would prove to be irrelevant towards the final outcome. For a bet to be settled as "YES" the listed player's team must be declared winner of that particular match (in case of one match) or progressing to the next round/winning the competition. Goals scored in Regular Time and Extra Time count but not Penalty Shoot outs.
- 16) Offers referring to which team/participant will achieve a particular accomplishment against another team/participant (E.g. Next team to beat Team X) as well as offers which refer to the classification on a certain date, will stand and be settled regardless of any eventual fixture changes and number of games/rounds played.
- 17) Settlement of offers referring to which team/participant will be the first to achieve a particular accomplishment against other team(s)/participant(s) (E.g. Team to score first in Matchday X) will be based upon the timeframe in the respective match in which the feat has been accomplished. Example: Team A plays on Saturday and score their first goal in the 43rd minute while Team B plays on Sunday and score their first goal after 5 minutes, then Team B will be settled as winner.
- 18) Bets referring to "Rest of the game" or similar will consider only outcomes and occurrences obtained from the time of bet placement until the end of the listed timeframe, thus disregarding any occurrences registered before the time the bet was placed and accepted.
- 19) Bets on specific timeframes/intervals (example: Game result between 60:00-89:59), will consider only outcomes and occurrences accumulated during the specified timeframe/interval. Settlement will not take into account any other points/goals/events tallied from other parts of the event/game outside the specified timeframe/interval, including stoppage/injury time, unless specified.
- 20) From time to time the Operator, at its sole discretion and without prejudice to related contingencies as described in the House Rules, might decide to publish offerings referring either to the single performance of a participant/team or offerings which combine the potential outcomes of 2 or more teams/participants (example: Enhanced Multiples, Boosted Odds, etc), at higher odds than those normally available. Operator reserves the right to withdraw such offers, edit the respective odds and effect any further changes the Operator might deem necessary at its sole discretion. Settlement of these offers will be based on the following criteria in the listed order:

1. Unless specifically stated the offer refers only to the listed day(s) and/or next official match/event/round (as applicable) that the listed participants/teams are scheduled to take part in at the time the offer is published;
2. Results settled as per respective Sport-specific rules. All related events must be completed as scheduled within the applicable timeframes for bets to stand unless any other outcome in the offer would incontrovertibly determine the outcome of the offer in a way that completion (or lack of thereof) of the other events listed in the offer would not influence the outcome of the offer. Such markets will be settled according to the already determined outcomes;
3. Unless explicitly stated within the offer, result settlement will only take into account occurrences deriving from the actual play. Results attributable to walk-overs, protests, changes to the first official result, etc will not be taken into consideration. Stakes will be refunded should it be impossible to determine a winning outcome in accordance with the respective Sport-specific rules;
4. All connotations related to the offer must be fully and unquestionably complied with for the bet to be deemed as winning, regardless of any possible conflict with the Sport-Specific rules or with any potential interpretation based on previous or current presentation of offers related to events in that particular sport and the way these are normally presented in the Operator's Sports Book. Where applicable, should the offer include any outcome the result of which ties exactly the chosen Over/Under or Spread line (aka PUSH) this will not be considered as having accomplished the listed occurrence and will result in the bet being settled as LOST.

While all necessary precautions have been taken by the Operator to ensure a superior user experience, it is to be understood that markets might fluctuate in such a way that, at any given point in time, these markets do not represent an enhanced value comparable to related bet offers currently present on the Operator's Sportsbook. All bets remain valid regardless of these eventual fluctuations.

During selected events, the Operator will provide users with functionality to place bets combining outcomes and occurrences from the same event (aka Intra-Event Parlays), either through pre-established parlays present in its Sportsbook (excluding Enhanced Multiples, Boosted Odds, etc for which <Section B, Para 3, Clause 21> applies). Such functionality is only present at [the Operator's sole discretion and without prejudice to related contingencies as described in these House Rules. Settlement will be based on the respective Sport-specific rules. All related occurrences must be fully accomplished for a bet to be considered as having happened and eventually paid out at the odds struck. Stakes refunded should any part of the parlay be settled as VOID. Where applicable, should the parlay feature any outcome the result of which ties exactly the chosen Over/Under or Spread line (aka PUSH), such part of the parlay will be removed from settlement calculation and bets will be paid out taking into consideration only the other parts of the parlay.

- 21) "Teaser+" allows the user the possibility to allocate the same pre-set amount of points to all outcomes present in a parlay containing Spreads (Handicaps), Totals (Over/Unders) or a parlay of both. Example: User combines NFL Team X +6.5 points in a parlay with Over 41 points in the NFL match between Team Y and Team Z. By choosing the "Teaser+ Soccer 6 points" option, the lines and odds get recalculated into a parlay featuring Team X +12.5 points (previously +6.5), combined with Over 35 points (previously Over 41). Should any part of a "Teaser+" bet be settled as void (push), that particular selection will be excluded from the parlay and the computation of odds/payout will be re-adjusted accordingly

4. System Bets

- 1) In Pre-match betting, it is possible to combine up to twelve (12) different offers on a single coupon.
- 2) In Live Betting it is possible to combine up to twelve (12) different offers on a single coupon as an accumulator bet. All selected matches/offers in an accumulator must be included in the coupon and no other multiple options (Example: singles, doubles, etc.) which exclude 1 or more matches/offers are available.
- 3) The Operator reserves the right to limit the amount of combinations due to what is known as outcome dependency, as defined in <Section A, Para 5.4> and also other factors, solely at its own discretion.
- 4) It is possible to include one or several matches as 'bankers' which means that the selected matches/events will be included in all coupons.
- 5) A 'Trixie' is a combination, which includes one treble and three doubles from a selection of three matches.
- 6) A 'Patent' is a combination, which includes one treble, three doubles and three singles from a selection of three matches.
- 7) A 'Yankee' is a combination, which includes one fourfold, four trebles and six doubles from a selection of four matches.
- 8) A 'Canadian' (also known as 'Super Yankee') is a combination, which includes one fivefold, five fourfolds, ten trebles and ten doubles from a selection of five matches.
- 9) A 'Heinz' is a combination, which includes one sixfold, six fivefolds, fifteen fourfolds, twenty trebles and fifteen doubles from a selection of six matches.
- 10) A 'Super Heinz' is a combination, which includes one sevenfold, seven sixfolds, twenty-one fivefolds, thirty-five fourfolds, thirty-five trebles and twenty-one doubles from a selection of seven matches.
- 11) A 'Goliath' is a combination, which includes one eightfold, eight sevenfolds, twenty-eight sixfolds, fifty-six fivefolds, seventy fourfolds, fifty-six trebles and twenty-eight doubles from a selection of eight matches.
- 12) For display purposes, when necessary, the second digit after the decimal point of the odds is shown as rounded up in the Customer's bet history to the nearest decimal number. The payout will however be effected based on the actual odds multiplied by the stake, disregarding the aforementioned rounding.

5. Result Settlement

- 1) When settling results the Operator will do its utmost to attain itself to information obtained first hand (during or exactly after the event has been concluded), through TV transmissions, streaming (web- based and through other sources) as well as official sites. Should this information be omitted from first hand viewing and/or official sources and/or there is an obvious Error in the information included in the sources above, the settlement of the bet offer will be based on other public sources. Nevertheless, unless a clear and verifiable Error is noted in the first official result, settlement of bets will not include any changes deriving from and/or attributable to, but not limited to: disqualifications, penalisations, protests, sub-judice results and/or successive changes to the official result after the event has been completed and a result has been announced, even preliminarily.
- 2) a. Settlement of markets held over more than 1 round/stage (E.g.: Season Bets), will only consider amendments effecting bets which settlement has not been decided yet. Such measures must be announced by the governing association before the last scheduled round/stage to be considered. Any changes effected after this date, or else referring to bets which have already been settled based on events happening during the event/competition will not be considered.
b. Unless otherwise specified within the offer, implied by the official competition rules or announced beforehand as being the official format for that particular event, any changes from the default sport/event/competition format that result in the Operator's offering odds/lines/totals which are incongruent with the revised playing format, will result in the voiding of the bets effected by the format change.
c. Offers where the format change does not preclude the organizing association from declaring a winner (ex. Season winner), irrespective whether there will be a continuation of play or not, revised length of season/competition, etc, will be settled according to the result issued by the governing association granted that said result is issued as per the timeframes listed below and is congruent to the odds/lines/totals available at time of offer publishing.
d. The following settlement provisions apply in such cases:
(i) Should the governing association declare a relevant outcome within 3 months from the last match played before the interruption (be it final classification, cancellation or intentions to resume play), markets will be determined accordingly.
(ii) In case no applicable official communication/result is issued within 3 months from the last match played before the interruption, markets will be settled in accordance with the last classification/rankings available, regardless of number of matches played/current stage/phase of the competition.
(iii) Markets which refer to whether a team/participant will reach a subsequent phase of the competition (example: Play-Offs) will be settled as void should there be any changes to the format/number of participants scheduled to contest that particular phase or that particular phase is not played at all, unless an outcome based on the market connotations at time of bet publishing has already been determined and the change in number of applicable matches bears no influence the outcome of the offer;
(iv) Markets which odds are dependent/based on a full schedule of matches being played (example: Over/Under Wins in the Regular Season/Points in the League), will be declared void should the number of matches played end up being different than originally scheduled at the time of bet

publishing, unless an outcome has already been determined and the change in number of applicable matches bears no influence the outcome of the offer.

- 3) Settlement of bets will not include any changes deriving from and/or attributable to, but not limited to: disqualifications, penalizations, protests, sub judge results and/or successive changes to the official result after the event has been completed and a result has been announced, even preliminarily. For bets referring to competitions which span over more than 1 round/stage (E.g.: Season Bets), only amendments effecting bets which settlement has not been decided yet will be taken into consideration. Such measures must be announced by the governing association before the last scheduled round/stage will be considered. Any changes effected after this date, or else referring to bets which have already been settled based on events happening during the event/competition will not be considered.
- 4) Occurrences which have not been sanctioned and/or acknowledged by the match/event officials (e.g. disallowed goals) will not be taken into account towards the settlement of the bet. Unless otherwise stated in the bet offer, occurrences will be settled based on the time the related action is taken, not on the time the occurrence was rewarded. Bets referring to the accumulation of a particular occurrence (e.g. Total corners) and/or the execution of a particular action, will require said occurrence to actually take place during the time interval specified (e.g. the corner being kicked). In such instances, should the occurrence be only awarded and not taken, it will not be considered for settlement purposes.
- 5) All bet offers related to matches/events which do not take place at all or are awarded a result through a walk-over decision will be declared void.
- 6) In case of an abandoned event, all bet offers that have been decided prior to the abandonment and could not possibly be changed regardless of future events, will be settled according to the decided outcome. Should the abandoned event not resume within 12 hours of its start time, all pending offers related to the event will be settled as void.
- 7) In case an event is abandoned and is scheduled to restart from the beginning, all bets placed before the initial game which could not be settled through the outcomes deriving from the play prior to abandonment, will be declared void regardless of whether or when the game is continued
- 8) Bets on events that are cancelled, postponed or rescheduled more than 12 hours beyond their official start time will be void, unless otherwise specified in sport-specific rules or the specific bet offer. However, bets will remain valid under the following exceptions:
 - a. The event did not have an official start time confirmed by the relevant governing body at the time of bet placement.
 - b. The event is rescheduled for logistical, weather or broadcast reasons but remains within the same competition round, and the sequence of official fixtures for all participants remains unchanged.
 - c. The start time is advanced, but the match still occurs within the same round, and the order of official fixtures is preserved.A fixture is no longer deemed part of the same matchday/round if, due to rescheduling, it is no longer the next scheduled official match for all participating teams. In such cases, affected bets will be VOID.
This rule does not apply to season or outright bets, which remain valid provided the competition is held and completed in the relevant season/year as displayed within the offer, regardless of scheduling changes.
For playoff or multi-leg series, individual match rescheduling does not affect bet validity provided the order of home/away fixtures is maintained and the match occurs within the series framework. Otherwise, bets are VOID.
- 9) In cases of events which have not been completed before their natural conclusion, and a result is issued through a decision by the association not more than 12 hours from the event's start, the Operator will use the issued decision as the official result for offers related to the event's outcome, such as Game, Draw No Bet and Double Chance granted that the issued decision does not change the outcome of the said bet offers at the time of the abandonment. In that case the stakes will be refunded. All offers referring to the tallying of particular occurrences (example: Total Goals, Handicaps, etc) will be declared void except for those the outcomes of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.
- 10) All bet offers related to uncompleted matches/events where the official governing body is not previously acknowledged (e.g. Club Friendlies) will be declared as void unless at least 90% of the stipulated Regular/Full time is played, see in <Section B, Para 1.1>. Should the match/event be abandoned after 90% has been completed, the settlement will be based on the current score at the time when the match/event was stopped.
- 11) Settlement of bet offers, such as, but not limited to, shots, shots on target, ball possession, assists, rebounds, etc. will be based according to the definition with which the official governing body issues said statistics. Unless backed by un-contradictory evidence, the Operator will not acknowledge any complaints which derive from a personal interpretation of such terms.
- 12) When placing "Outright" or "Place" bets, no stakes will be refunded on participants/outcomes that are not participating in or withdrawing from an event (both prior and during), unless otherwise stated.
- 13) No refunds of bets will apply, even if the winning outcome of a match/event is a participant/outcome that has not been listed for betting purposes. On all bet offers the Customer has the possibility to ask for a price on a non-listed participant/outcome. the Operator reserves the right, at its own discretion, to decline such requests.
- 14) In case a participant is disqualified/withheld/banned from taking part in a subsequent part/phase of an event/competition, the disqualification will be considered to have taken place at the time of the participant's removal from the event. No alterations will be made to previous results, regardless of any modifications due to said actions.
- 15) If two or more Participants share the applicable finishing positions and no odds have been offered for a draw outcome, the payout will be calculated using "Dead Heat" rules. The payout is calculated using the following equation:

$$\text{Payout} = \text{Stake} \times (\text{Odds} \div \text{Number of Participants Sharing the Certain Positions}).$$

The payout will always be at least equal to the stake, except in cases of "Head to Heads.", see <Section B, Para 2.5> and <Section B, Para 5.19>

Examples of Dead Heat rules settlements include, but are not limited to, the following instances (All calculations use decimal odds):

Example 1

You bet \$20 on a participant to finish in the Top 20 at odds 2.0. The participant finishes tied 16th with 5 other players. Payout would be calculated as follows:

$$2.0 \times 5 = 10.0 \text{ (Original odds multiplied by number of places remaining in top 20)}$$

$$10.0 \div 6 = 1.67 \text{ (10.0 taken from output of the calculation above, divided by number of players sharing the remaining places in top 20)}$$

$$1.67 \times 20 = 33.40 \text{ (New odds multiplied by stake)}$$

Payout of \$33.40

Example 2

You bet \$10 on a participant to finish in the top 10 at odds 3.0. The participant finishes tied 10th with 3 other players. Payout would be calculated as follows:

$3.0 \times 1 = 3.0$ (Original odds multiplied by number of places remaining in top 10)

$3.0 \div 4 = 0.75$ (3.0 taken from output of calculation above, divided by number of players sharing 10th place)

$0.75 \times 10 = 7.50$ (New odds multiplied by stake)

Payout of \$10

Note here the payout computed is less than the original stake. As the rule states, payouts will always equal the stake except in cases of head to heads. In this example, the bet was not a head to head, and thus payout equals the stake of \$10.

Example 3

You bet \$10 on a participant to win his 3-ball at odds 2.40. The participant finishes tied for best score with 1 other player. Payout would be calculated as follows:

$2.40 \div 2 = 1.20$ (Original odds divided by number of players who tied)

$1.20 \times 10 = 12.0$ (New odds multiplied by stake)

Payout of \$12

Example 4

You bet \$10 on a participant to win his 3-ball at odds 1.50. The participant finishes tied for best score with 1 other player. Payout would be calculated as below:

$1.5 \div 2 = 0.75$ (Original odds divided by number of players who tied)

$0.75 \times 10 = 7.50$ (New odds multiplied by stake)

Payout of \$7.50

- 16) Note here the payout is less than the stake. As the rule states, payouts will always equal the stake except in cases of head to heads. In this example, the bet was a head to head, and thus payout can be less than the stake. In "Group Betting" (aka "Best of X"), all listed participants must start the event for bets to stand.
- 17) In "Group Betting" (aka "Best of X"), at least one participant from the selection list must successfully complete the event for bets to stand. Should that not be the case, and the governing association does not follow specific tie-breaking criteria, the bets will be declared void.
- 18) In a "Head to Head" between two or three participants, all listed participants must start the particular round/event which the bet refers to, for bets to be considered valid.
- 19) In a "Head to Head" between two participants, all bets will be refunded if both participants share the same position/score or are eliminated at the same stage of the competition, unless the governing association follows specific tie-breaking procedures, in which case, these will be deemed valid.
- 20) In a "Head to Head" between three participants and more than one winning outcome, the odds will be divided by the outcomes sharing the winning position, irrespective whether the net outcome is lower than the Customer's stake.
- 21) If a "Head to Head" is offered between different rounds/stages, all participants must take part in the upcoming round/stage for bets to be valid.
- 22) Unless specifically stated, whenever the organizing association deems it fit to include any necessary rounds, matches, or series of matches (e.g. Play-offs, Play-outs, Postseason) following the end of the so-called Regular Season in order to determine the classification, league winners, promotion/relegation, etc., the Operator will take into account the results and outcomes deriving from these matches for settlement purposes of bets referring to the final league classification, promotion, relegation, etc. For example, seasonal bets on the team winning the NHL will refer to the Stanley Cup Winners.
- 23) Offers which confront against each other the performances of two or more individuals/teams over a stipulated timeframe/competition will only be settled based on the result of the listed participants, disregarding all other participants in the same competition/event.
- 24) Unless specifically stated, all offers referring to a single player's performance in a specific domestic league (such as Total Goals Scored by Player X in League Y) or "Head to Head" bet offers involving two players' performances in domestic leagues, will not take into account those events happening during eventual Play-offs/Play-outs/Post-season or any other matches, or series of, which would happen after the so-called Regular Season.
- 25) Offers related to a total amount of occurrences/events scored/tallied by a particular team, either in a single team performance in a specific domestic league (such as Total Goals Scored by Team X), or "Head to Head" bet offers involving two teams' performances in domestic leagues, or a cumulative league performance will not take into account those events happening during eventual Play-offs/Play-outs/Post-season or any other matches, or series of, which would happen after the so-called Regular Season, unless otherwise specified.
- 26) In a single player performance bet offer in a specific domestic league (such as Total Goals Scored by Player X in League Y) or "Head to Head" bet offers involving two players' performances in domestic leagues, should any of the following occurrences happen to either of the participants in the selection list, the bets will be considered void: (i) does not take part in at least 50% of the stipulated matches (excluding eventual Play-offs/Play-outs/Post-season); (ii) does not take part in at least another match after the bet has been placed, (iii) totals the same amount as the other player.
- 27) In a single player performance bet offer in a specific event (such as Total Goals Scored by Player X in International Tournament) or "Head to Head" bet offers involving two players' performances in specific events, should any of the following occurrences happen to either of the participants in the

- selection list, the bets will be considered void: (i) does not take part at all in the event (ii) does not take part in at least another match after the bet has been placed, (iii) totals the same amount as the other participant.
- 28) During specific events the Operator might decide to offer for betting a reduced selection of participants and might also include betting options such as "any other", "the field", or similar. This option includes all unlisted participants except for the ones mentioned specifically as available.
 - 29) Offers that make specific reference to a participant's/participants' performance in a particular event (e.g. Player X vs The Field) are to be considered void if the mentioned participant(s) do(es) not take part in the competition.
 - 30) Any form of a qualification ahead of the main event is considered to be a valid part of that competition. Thus any participant who is eliminated at qualification stage will be considered losing to anyone that is pre-qualified or is successful in the qualification part.
 - 31) Bet offers which originally require participant(s) to compete in two or more stages/legs to advance into a subsequent phase/round of a competition, will remain valid regardless of any postponement/movement of the actual match dates, given that said match(es) actually takes place within the frame of the competition.
 - 32) A bet on a "To Qualify" market originally requiring just one stage/leg to advance to a subsequent phase/round of a competition (including any eventual prolongations/additional matches, e.g. replays) will be declared void if said match is not decided within more than 36 hours of its supposed start time.
 - 33) Should an event be moved from its originally announced venue and/or have its playing surface changed, this will not be treated as a cause for the offers to be voided unless (i) the Sport-specific rules dictate such, and/or the new location in which the event takes place is the habitual "home" pitch of either participant involved in the game, except as dictated below. As a general principle, the Operator will refer to the Home team (host) and the Away team (visitor) in accordance with the definition issued by the governing association for that particular game/competition. Bets on games played on so-called "Neutral pitches" will remain valid regardless of whether such information has been detailed in the bet offer and/or the positioning of the teams on the betting board/display. In those cases where there is a discrepancy between the positioning of the teams/participants on the official website and their placement on the betting board/display, and such discrepancy causes a significant effect on the odds of the game/competition the Operator will void the affected bets. Such eventuality is contemplated only in cases where the discrepancy has a material and visible effect on the odds. For example, in cases of swapped Home and Away teams in an Ice Hockey game the Operator will void the bets. Nevertheless the Operator will consider valid bets placed on events where the so-called home-field advantage is not considered and in cases of neutral venues. Examples of such cases include but are not limited to tennis tournaments, MMA fights, singles competitions in general, or specific events such as the final/late stages of team competitions being held in pre-established venues, like the Superbowl, the NCAA Final 4 or the Italian Football Cup Final even if the location can be deemed as a potential customary "home" pitch for either of the teams involved. In such cases, said events will be considered as being played in neutral venues and all bets stand regardless of the positioning of the teams/participants on the official website and their placement on the betting board/display.
 - 34) Information referring to gender of the teams, age groups and youth teams, as well as various definitions of reserve teams (e.g. B and C teams), is to be treated as supplementary information. The inclusion (or lack of) and correctness of such information will not be treated as sufficient cause for the voiding of the offers related to the match/event, given that this does not cause an obvious inconsistency in odds offered.
 - 35) While all necessary precautions are taken by the Operator to assure the most faithful rendition of all components involved in a bet offer, it is to be assumed that certain denominations could be represented differently due to different interpretations deriving from adaptations into another language. Such linguistic incongruence will not be treated as sufficient cause for the voiding of the offers related to the match/event, given that it does not create uncertainty with other participants. The same applies for denominations referring to events, team names, sponsor names, etc.
 - 36) In case of bets where there is reference to timeframes, they should be interpreted in the following way: "within the first 30 minutes" will include anything happening until 0 hours 29 minutes and 59 seconds; "between 10 to 20 minutes" will include anything happening from 10 minutes and 0 seconds until 19 minutes and 59 seconds.
 - 37) Unless listed either in conjunction with the bet offer, or else in the Sport Specific rules, bets referring to event/match duration which include non-full integer digits (E.g. 88.5 minutes or X.5 rounds) require the full completion of the full integer of the listed duration for them to be considered won. For example: a bet on Over/Under 88.5 minutes in a Tennis match will be settled as Over only if at least 89 full minutes are completed.
 - 38) The Operator acknowledges that some bets might require the rounding-up of percentages, units or other criteria which are decisive for the settlement of the bet. Should that be the case, the Operator reserves the right to adjust and settle accordingly.
 - 39) Any reference to goals scored by specific players will not count if they are defined as 'own goals' (scored in their own goals) unless otherwise stated.
 - 40) Any reference to confederation, nationality or similar will be subject to the definition by the governing association.
 - 41) Any medals won by a team/nation per competition will count as one (1) single medal regardless of the number of team members.
 - 42) Offers related to a total amount of occurrences/events scored/tallied by a particular player, in a single team performance in a specific competition (such as Total Goals Scored by Player X for Team Y) will only take into account total amount of occurrences/events scored/tallied by the particular player while playing for that team in that particular competition. Should any of the following occurrences happen to the listed player, the bets will be considered void: (i) does not take part in at least 50% of the competition's stipulated matches (excluding eventual Play-offs/Play-outs/Post-season); (ii) does not take part in at least another match after the bet has been placed.
 - 43) Offers on whether certain individuals will be occupying a specified position/title/job on a certain date (E.g. Minister X to still be Minister on date Y, Player/Coach to still be with Team Y on Date Z) refer to the individual in question to hold (or alternatively to be appointed in) the listed position uninterruptedly between the time the bet is placed and the specified deadline. Should the individual for any reason whatsoever leave the position before the specified deadline, the outcome of the bet will be considered as not having happened. This is valid even in cases where the individual is re-appointed/signed again in that same position/title/job and even if on the specified deadline the individual is occupying once more that same position/title/job to which the bet refers to. Settlements will also take into account players signed on loan deals.

C. Sport Specific Rules

1. Olympic and Championship events

- 1) All bets are valid provided that the event is held and decided during the championship and the year it refers to, regardless of any venue changes.
- 2) The previous clause is applicable to offers which reasonably fulfil any of the following criteria:
 - a. the bet refers to events scheduled for the final phase of events forming part of Olympic, World and Continental competitions.
 - b. the final phase of the event is time restricted.

2. American Football

- 1) Unless otherwise stated, all bets on American Football are determined on the basis of the result after the so called extra (over) time.

- 2) All 'match' offers will only be considered valid should there be less than 5 minutes of scheduled play left in the 4th Quarter/2nd Half, as applicable. Exception will be done for those the outcome of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.
- 3) In NCAA matches, should the playing time of any quarter(s) be shortened by mutual agreement of the opposing head coaches and referee, this will not serve as grounds to void any bets. All bet offers will be settled as normal based off of the official result at the end of the match.
- 4) "Head to Head" and "Over/Under" bets involving one or more players' performance in the match/event/tournament are considered valid given that all listed players take part in the match/event/tournament at some stage for bets to stand.
- 5) Unless specifically stated or implied in the offer characteristics, settlement of Season bets will be based as per the classifications, definitions and tie-breaking rules as per NFL.com, or the official website of the competition (as applicable).
- 6) Unless otherwise specified, a typical NFL week/round schedule is considered as running from Thursday to the following Wednesday, as per local stadium time. Any events/offers not completed within the aforementioned timeframe will be settled as void, except for those offers the outcomes of which has already been decided and could not possibly be changed regardless of future events, which will be settled according to the decided outcome. Bets referring to events which have been rescheduled within the same week/round will remain valid as much as said events are played within timeframe above.
- 7) Matchday/Weekly props is where it is possible to bet on the performances and outcomes of a pre- defined selection of teams and/or individual players' occurrences happening in a collection of matches/events on a specified week/round/day/match day (example: Total Points Scored in matches from a specific Conference, Highest/Lowest Scoring team, Player Yardage markets etc.). All applicable matches/events (including any rescheduling to be played within the aforementioned timeframe), must be completed and validated for the specified week/round/day/matchday for bets to stand except for those the outcomes of which has been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome. In addition, offers referring to the performance of specified players require that all the specified players are active participants at any point of the applicable match for bets to stand.
- 8) All offers referring to player performances remain valid regardless of eventual player trades during any point in the season.
- 9) Offers referring to individual player performances' in a single match (example: Total Passing Yards Thrown by Player X) or confronting performances from 2 individual players during the course of a match (example: Which of Player X or Player Y will throw most Passing Yards), require all listed individuals to be an active participant in the applicable match for bets to stand.
- 10) Offers referring to individual player performances' over a particular period (example: Total Passing Yards Thrown by Player X during the Regular Season) or confronting performances from 2 individual players during the course of the season (example: Which of Player X or Player Y will throw most Passing Yards during the Regular Season), require all listed individuals to be an active participant in at least one more match applicable for the offer after bet acceptance for bets to stand.
- 11) Bets on Double Result (ie. predicting the outcome at Half Time combined with the result at the end of the 4th Quarter) will not take into account any outcomes deriving from Overtime.
- 12) First/Next Offensive Play markets are settled based on the first/next offensive play from scrimmage (as applicable), excluding Penalties For settlement purposes, incomplete/intercepted passes, will be considered as "Pass Play". Fumbles on exchanges to the Running Back will be considered as "Run Play". For NFL, Quarterback sacks or fumbles will be considered as "Pass Play" unless the Quarterback has passed the line of scrimmage, at which point it would be considered as "Run Play". For NCAAAF, Quarterback sacks or fumbles will be considered as "Run Play" in all situations.
- 13) Settlement on offers referring to "Offensive Yards" will be based on the net number of yards including any sack yardage lost.
- 14) Offers referring to any team scoring a specified successive number of times unanswered will consider scorings tallied during eventual Overtime but excludes any PATs (points after Touchdowns or 2 point conversions).
- 15) Bets referring to the outcome of a particular drive will be settled as void in case of an incomplete drive. In cases where Team A has the ball and fumbles with the ball being recovered by Team B who successively fumbles it back to Team A, the outcome will be settled as a "Turnover". Turnover on Downs (failed 4th Down attempt), will also be considered as a "Turnover". Should it happen that a punt is fumbled by the receiving team and recovered by the kicking team, bets will be settled as "Punt".
- 16) Offers on whether a 1st Down will be made during the current drive will be settled as "YES" should a new set of "Downs" be achieved either by Run, Pass (including cases where a Touchdown is scored as a result) or an Automatic 1st Down Penalty. "Safety" or "Field Goal" (irrespective whether the Field Goal being scored or not), will settle the offer as "NO". Any Down replayed due to non-automatic penalties will not be considered for settlement purposes unless committed with 5 yards or less to go.
- 17) Settlement on which team will gain most Passing/Rushing yards will be based on the gross number of yards thrown/run, including any negative yarding for rushing.
- 18) For settlement purposes, bets on Touchdown scorers require the listed player to be part of the active roster for that match. Stakes on players which are not on the active roster will be refunded. In cases of "passing Touchdowns" only the player who catches the pass will be considered as the Touchdown scorer.
- 19) Player props and other stats-based offers will be settled according to the official match reports as published after the game by the governing body.
- 20) Unless otherwise specified in conjunction with the bet offer, bets on outcomes related to 2nd Half, will only take into consideration points and occurrences tallied/obtained during the specified timeframe and will not consider any points and occurrences tallied/obtained during eventual Overtime.
- 21) Offers referring to tackles made, will be settled according to tackles made on regular defensive plays only. This will be determined by the final defensive statistics in the official gamebook.
- 22) "Drive Crosses X Yardline" markets will be settled according to the spot of the ball at the end of the drive. If the drive ends in a Field Goal, the final yardline is the line of scrimmage of the field goal attempt. If the drive ends in a Fumble, the final yardline is the yardline where the fumble occurred. If the Drive ends in an Interception, the final yardline is the line of scrimmage of the play during which the interception occurs.
- 23) For First / Last Touchdown offers, bets are settled based on the player who scores the first or last touchdown of the game, as applicable.

If no touchdowns are scored during the game, wagers placed on the "No Touchdown" selection will be settled as winners and all other bets will be settled as losers.

Only touchdowns count for settlement purposes. All other scoring methods (including field goals, safeties, defensive two-point conversions, or any non-touchdown scores) are not considered.

3. **Athletics**

- 1) Unless otherwise stated, all bets on Athletics are determined on the basis of the result after the final stage of that competition. If none of the listed participants takes part in the final stage, all bets will be void, unless the governing body follows specific tie-breaking procedures, in which case, these will be deemed valid.
- 2) All bet offers will be settled based on the first official result being presented. However, <The Operator> will take into account and settle/re-settle accordingly, following any changes to the official result issued within 24 hours after the event has taken place. For such eventuality to be considered, the protest must be attributable to incidents happening exclusively during the event, such as a line infringement, pushes or a false handover in a relay race, etc. No doping cases will be considered. The result available at the end of the aforementioned 24 hours will be deemed as binding regardless of any further protests, changes to the official result, etc.
- 3) If two or more participants take part in different heats during a competition, all Head-To-Head-offers between them will be considered void, unless there is a later stage in the competition that at least one of them qualifies for.
- 4) A participant that is disqualified due to infringement of the start procedure (false start) will be deemed as having taken part in the event.

4. Australian Rules Football

- 1) Unless explicitly stated, should a match or else a specified period (ex. 1st Half, 3rd Quarter, etc.) end in a draw, all bets will be settled according to the "Dead Heat" rule as detailed in <Section B, Para 5.14>.
- 2) Unless otherwise stated, all bet offers will be settled including any extra time (if played). This includes but is not limited to "Match H2H (2-way)", "Handicap", "Total Points", and all player performance bet offers. On betting markets where Draw is offered, the bet shall be settled at the conclusion of regular time. The following bet offers will not include any extra time (if played) and will be settled at the conclusion of regular time:
 - a. Margins
 - b. HT/FT Double
 - c. Quarter by Quarter Leader
 - d. Wire to Wire
- 3) "Wire-to-Wire" betting refers to which team (if any) is leading the match at the end of each quarter.
- 4) Should any replay/extra matches be required to determine any position in the classification, league winners, etc., the outcomes deriving from these replays/extra matches will be used for the settlement of the respective bet offer.
- 5) For match betting on a Grand Final, the betting is specific to the upcoming match to be played, or the current match, in the case of live betting. Bets will not carry over to any replay and a new market will be added for any subsequent matches.
- 6) When settling offers which relate to the performances of two or more individuals/teams over a stipulated timeframe/competition, stages of elimination within the "Finals" will count for the settlement. Should two teams be eliminated at the same stage, the team that finished highest on the AFL ladder at the conclusion of the Regular Season will be considered as having achieved a better position.
- 7) All bets stand, regardless of change of venue.
- 8) For all highest scoring quarter offers, the "Same amount" outcome settles on any 2 (or more) quarters being equal highest.
- 9) For all season offers, that are settled at the conclusion of the regular season, the official ladder position is used as the determining factor (i.e Percentage determines tied positions).
- 10) Similarly, for the "Team(s) with the Most Losses" offer, in the event of two or more teams recording the same number of losses, the winner will be determined as the team with the lower ladder position (i.e Percentage determines tied positions).

5. Baseball

- 1) Unless otherwise stated, bets on Baseball are determined on the basis of the result after any eventual extra innings, and regardless of the amount of extra innings played, as declared by the respective organizing body. In case of a draw after the eventual extra innings, match bets will be settled as void.
- 2) Should a match start and be suspended due to weather or any other cause, and continued within the next 48 hours following original start time while remaining the next scheduled official match for all participating teams, then bets will remain valid and settled according to the eventual final official results. Otherwise, abandonment rules will apply. Any bet offer for which a result is already determined prior to suspension, and the outcome of which could not possibly change by any subsequent play will be settled according to the decided outcome.
- 3) In the case of a shortened or abandoned match, "Match" bets (aka Moneyline) will be settled, as per the rules of the respective governing body. "Spread", "Over/Under", "Odd/Even" and all other markets, including player performance markets, but except Moneyline require all scheduled innings to be completed, or at least 8.5 innings to be completed if the home team is in advantage, for bets to stand. This applies to all offers except those the outcome of which has been decided prior to the abandonment and could not possibly be changed regardless of future events. These will be settled according to the decided outcome. For NCAA, exceptions will be made for matches that are shortened by mutual agreement of the opposing head coaches and referee or any "Mercy Rules" which come into play as stipulated by the relevant governing body. In case "Mercy Rules" are invoked, all bets will stand and will be settled according to the results and statistics at the time of the "Mercy Rule" call.
- 4) With the exception of those offers where the start/participation of the listed pitcher(s) is specifically required for the market to be deemed valid, (example: Listed Pitcher Moneyline), whoever is chosen to be the starting pitcher of either team has no relevance on how offers are settled.
- 5) For settlement purposes "First Half" bets are deemed to be referring to the outcomes deriving from the first 5 innings. All 5 innings must be completed for bets to stand except for those offers the outcome of which has been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome. For games played under a scheduled, shortened format the first half innings will be shortened accordingly, for example "first half" bets in a 7 innings game refer to outcomes deriving from the first 4 innings.
- 6) Live Betting offers referring to individual player performances' in a single match (example: Total Hits by Player X) or confronting performances from 2 individual players during the course of a match (example: Which of Player X or Player Y will have most Hits), require all listed individuals to participate in at least one more play in the match, after bet acceptance for bets to stand. All Pre-Match markets involving hitters, require for the player to be listed as in the starting line-up, and to have at least one plate appearance. Those involving pitchers, require the Player to throw at least one pitch, for bets to stand. Offers referring to one or more players' performance in a given match, require that all listed players are included in the starting lineup, for bets to stand.
- 7) Unless specifically stated or implied in the offer characteristics, settlement of Season bets and Tournament or Playoff Totals will be based as per the classifications, definitions and tie-breaking rules as per MLB.com, or the official website of the competition (as applicable). Unless otherwise stated, cumulative amounts of such bets will include eventual prolongations (e.g. Extra Innings).
- 8) Offers referring to individual player performances' (example: Total Runs Scored by Player X during the Playoffs) or confronting performances from 2 individual players over a particular period/tournament/season (example: Which of Player X or Player Y will record most hits during the Regular Season), require that all listed individuals must be an active participant in at least one more fixture applicable for the offer after bet acceptance for bets to stand. Bets placed after any news which can even potentially reduce the number of fixtures any listed player is eligible for within the

competition (example: injury/transfer/trade news); thus altering the odds even just theoretically in favor of any particular outcome without said odds having been adjusted to reflect the current state of the bet, will be declared void.

- 9) Season bets, regardless whether these include outcomes obtained during Playoffs or otherwise, as well as offers referring to particular teams or player performances will remain valid irrespective of eventual player trades, team movements, name changes, season length or playoff format changes during any point in the season.
- 10) Bets on the outcome of a particular period (example Inning X) or occurrences achieved during a time-limited period require the specified period to be completed with the exception of those offers the outcome of which is already determined before any interruption and/or any further continuance of play could not possibly produce a different outcome to said offers which will be settled accordingly. For settlement purposes, any Inning (including eventual extra innings) which does not require the Home Team to bat further, or at all, is considered to have been naturally concluded and all bets referring to the inning (example: Result of Inning X, Handicap (Spread) of Inning X, Over/Under (Total) Runs or Hits in Inning X) stand with the exception of those which specifically refer to the single performance of the Home team within the specified inning (example: Over/Under (Total) Runs scored by the Home Team in Inning X) which will be settled as void should the Home Team not bat at all during the specified Inning.
- 11) Offers which confront or tally outcome and occurrences obtained/achieved by teams or players taking part in different matches not confronting each other (example: Team to score most runs in their respective match), require that all applicable matches are completed as per the rules of the organizing association for bets to stand except for those the outcomes of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome. In cases where no drawn (tie) outcome has been made available for betting, bets will be settled as void should both of the listed teams/participants obtain/achieve the same amount.
- 12) Series winner results are settled according to which team wins most matches in the series of matches (including any doubleheaders) beginning on the listed date. Bets void if teams win the same number of matches. Should any match be rescheduled outside of the original dates of the series, bets will be void unless the result of that match could not possibly have changed the outcome of the series winner.

6. Basketball

- 1) A bet on Basketball is determined on the basis of the Result after the so-called extra (over) time, unless otherwise stated. Matches that end in a tie where no overtime period(s) is played will have the "Match Odds" offer voided.
- 2) Bets referring to the match outcome (aka "Moneyline") from ties which are decided over two or more match-ups will have the "Including Overtime" offer voided in case the match ends in a draw and no further play is done in that particular match.
- 3) In multiple legged ties, all points collected during any overtime period will count for the final settlement of that particular match.
- 4) "Head to Head" and "Over/Under" bets involving one or more players' performance in the match/event/tournament are considered valid given that all listed players take part in the match/event/tournament at some stage for bets to stand.
- 5) All bets referring to aggregated Tournament Totals (such as Points, Rebounds, Assists, etc.) will be settled based on official statistics by the governing association. Unless otherwise stated, cumulative amounts of such bets will include eventual prolongations (e.g. Over Time).
- 6) Unless specifically stated or implied in the offer characteristics, settlement of Season bets will be based as per the classifications, definitions and tie-breaking rules as per NBA.com, or the official website of the competition (as applicable). Season bets, regardless of whether these include outcomes obtained during Playoffs or otherwise, as well as offers referring to particular teams or player performances will remain valid irrespective of eventual player trades, team movements, name changes, season length or playoff format changes during any point in the season.
- 7) All offers referring to player performances remain valid regardless of eventual player trades during any point in the season.
- 8) Offers referring to individual player performances' in a single match (example: Total Points Scored by Player X) or confronting performances from 2 individual players during the course of a match (example: Which of Player X or Player Y will score most Points), require all listed individuals to be an active participant in the applicable match for bets to stand.
- 9) Offers referring to individual player performances' over a particular period (example: Total Points Scored by Player X during the Regular Season) or confronting performances from 2 individual players during the course of the season (example: Which of Player X or Player Y will score most Points during the Regular Season), require all listed individuals to be an active participant in at least one more match applicable for the offer after bet acceptance for bets to stand.
- 10) Bets on Double Result (ie. predicting the outcome at Half Time combined with the result at the end of the 4th Quarter) will not take into account any outcomes deriving from Overtime.
- 11) Unless otherwise specified in conjunction with the bet offer, bets on outcomes related to 2nd Half, will only take into consideration points and occurrences tallied/obtained during the specified timeframe and will not consider any points and occurrences tallied/obtained during eventual Overtime.
- 12) For settlement purposes a 'double-double' is considered to have occurred should the player register 10 or more in at least 2 of these categories in a single match (including during eventual overtime): Points Scored, Any Rebounds Won, Assists, Steals and/or Blocked Shots. A 'triple-double' is considered to have occurred should the player register 10 or more in at least 3 of the aforementioned categories in a single match (including during eventual overtime).
- 13) All NBA and NCAA 'match' offers will only be considered valid should there be less than 5 minutes of scheduled play left in the 4th Quarter/2nd Half, as applicable. Exception will be done for those the outcome of which have been decided prior to the abandonment and could not possibly be changed regardless of future events, which will be settled according to the decided outcome.

7. Bowling

- 1) Settlement of all wagers for this sport shall be determined in accordance with Section B. General Betting Rules.

8. Boxing

- 1) All offers will be settled according to the official result of the relevant governing body immediately as declared by the ring announcer at the end of the fight.
- 2) For settlement purposes, in case the match is interrupted for any reason in between rounds, e.g. retirement before the start of a round, disqualification, failure to answer the bell, the fight will be deemed to have finished at the end of the previous round. For all the "To go the Distance" offers, to be settled as "Yes", the official scheduled number of rounds, must be fully completed. In the event of a technical decision, before the end of the scheduled number of rounds, all bets where "Win by decision" is offered will be settled as a "Win by decision". Offers such as "Alternate Winning Rounds", "Alternate Winning group of rounds" and "Total Rounds" will be declared void, unless the outcome is already determined.
- 3) The following descriptions are to be considered as the applicable outcomes for the different scenarios:
 - "Finish": A win by KO (Knockout), TKO (Technical Knockout), DQ (Disqualification), 'Throwing of the towel' from either fighters' corner, Any referee stoppage which declares either fighter as the only winner of the fight;
 - "Points/Decision": Any win based on the judges' scorecards;

 - “Majority Decision”: A decision where the majority of the judges declare the same fighter as the winner while the minority of the judges declare the fight as a draw;
 - “Split Decision”: A decision where the majority of the judges declare a particular fighter as the winner while the minority of the judges declare the other fighter as the winner;
 - “Majority Draw”: A decision where the majority of the judges declare the fight as a draw while the minority of the judges declare a particular fighter as the winner;
 - “Split Draw”: A decision where each of the judges’ scorecards declare a different outcome of the fight and no outcome prevails over the other. .
- 4) If for any reason, the number of rounds in a fight is changed, offers which make specific reference to rounds, such as “Round betting”, “Group of Rounds”, “Over/Under”, Alternate winning round”, “Alternate winning group of rounds and “To go the distance” will be declared void.
 - 5) For settlement purposes, betting on rounds or groups of rounds refers to a fighter to win by KO (Knockout), TKO (Technical Knockout), or disqualification during that round or group of rounds..
 - 6) For a match to be declared as having been decided by “points”, (e.g. the different definition of “decision”), all scheduled rounds must be completed. All other decisions (e.g. KO, TKO, withdrawal, submission, disqualification, failure to answer the bell, clash of heads, low blow, etc.) will be settled as if the boxer has won the fight without the need of a decision, aka “before the bell”.
 - 7) Bets referring to round/fight duration represents the actual time passed in the round/fight, as applicable, depending on the scheduled round/fight duration. For example a bet on Over 4.5 Total Rounds in a Boxing fight will be settled as Over once a minute and a half in the 5th Round has passed.
 - 8) Any confirmed fight must be completed by 23:59 local time of the following day for bets to stand. Any changes in venue, location will not be deemed valid grounds for voiding of the offers.
 - 9) In offers where a draw/tie is possible and odds have not been offered for such outcome, bets will be settled as void should the official result be declared as such. - 1) Settlement of all wagers for this sport shall be determined in accordance with Section B. General Betting Rules.

10. **Cricket**

- 1) In cases where no odds have been offered for a tie and the match/offer ends in a tie, bets would be settled according to the so-called “dead-heat” rule where the payout would be calculated after the odds are divided and multiplied by the stake, irrespective whether the net payout is lower than the Customer’s stake. Should such provision be in place, it would be listed in conjunction with the bet offer. In competitions where other means are used to determine a winner after a tie (‘Bowl out’ or ‘Super over’) then offers will be settled based on the result after such prolongations are completed.
- 2) “Highest Opening Partnership” requires that both sides complete their opening partnerships with the exception of those situations where an outcome has already been determined.
- 3) “Batting” Head to Heads require that both players be at the batting crease while a ball is bowled, though not necessarily facing a ball. In case either batsman’s innings are not completed bets will be voided with the exception of those situations where an outcome has already been determined.
- 4) “Bowling” Head to Heads require that both players bowl at least 1 ball for bets to stand.
- 5) Total “Batsman Runs” (Over/Under) require the innings to be completed. In cases where a batsman’s innings is ended by weather or bad light, all bets where a result has not been determined will be declared void. A result is deemed to have been determined if a Batsman has passed the Run total at which the bet was accepted, has been dismissed or an innings is declared. For example, if a Batsman’s score stands at 50 ‘Not-Out’ when a game or innings is terminated due to bad light or rain, all bets on 50.5 Runs will be voided. However, all bets on “Over 49.5 Runs” will be considered as winning while bets on “Under 49.5 Runs” will be settled as losing. Should a batsman retire due to injury, his score at the end of his team’s innings will be considered as the result for that bet.
- 6) In “Fall of Next Wicket” betting should either batsman retire due to injury before a result has been determined all bets will be declared void. A result is deemed to have been determined if the Innings total has passed the Run total at which the bet was accepted. If a team declares or reaches their target, the total achieved by the batting team will be the result of the market. If a partnership is disrupted due to weather all bets will stand, unless there is no further play in the match. In such case all bets where a result has not been determined will be declared void.
- 7) For “Next Over” betting (Over/Under & Odd/Even), extras are included for settlement purposes. Bets will be void if the Over is not completed unless a result has already been determined. Market refers only to the listed Over (e.g. “5th Over” refers to Over number 5, i.e. the Over directly following Over Number 4).
- 8) In “Race to X Runs” both players must open the batting for bets to stand.
- 9) For “First Over” Runs the Over must be completed for bets to stand, unless the maximum range offered has already been achieved. Any Extras count for settlement purposes.
- 10) For “First Scoring Play” betting, should Runs be scored from a “No ball”, extras will be deemed as the winner.
- 11) In “Wicket 1st Over” betting the Over must be completed for bets to stand, unless a wicket has already fallen.
- 12) In “Next Man Out” betting bets will be settled as void if either player retires due to injury before the wicket falls or there is no further wickets. Both named Batsmen must be batting at the fall of the nominated wicket for bets to stand.

- 14) For Odd/Even betting a ball must be bowled for bets to stand.
- 15) “Top Batsman” and “Top Bowler” bets placed on any player not in the starting 11 will be declared void. Bets on players who are selected but do not bat or field will be settled as losers.
- 16) Settlement of betting on “Wides” will be based on the “Runs” scored from “Wides” and not the number of “Wides” bowled.

a. **Limited Overs (including One-Day Internationals, Twenty20s & Domestic One-Day cricket)**

- 1) Should a match be transferred to a ‘reserve’ day, all bets will remain valid.

- 2) Head to Head betting pays on official result. In the event of a tie, dead heat rules as explained in Clause 1 of the General Cricket Rules might apply unless a subsequent tiebreaker method is used to determine the winner (e.g. super over, bowl-off), in which case the outcome will be settled on the result of this method. Should the match be declared a 'no-result' all bets will be settled as void. Any other betting on the match (example High Bats, Most Sixes, Batting & Bowling Head to Heads etc.) will not include any outcomes deriving after the dispute of the tiebreaker.
- 3) "Top Batsman/Bowler" requires a minimum of 20 overs to be bowled per innings of a One Day Match, unless a team is All-Out or the match is completed, or a minimum of 5 overs to be bowled per innings of a Twenty 20 match, unless a team is All-Out or the match is completed.
- 4) For "Total Team Runs" betting, all bets will be declared as void should the number of Overs be reduced due to weather, or any other reason, from the standard scheduled number of Overs in a Twenty 20 match or any other limited Overs match. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.
- 5) For "Highest 1st 6/15 Overs" bets will be void if both teams do not face the full amount of overs unless target has been reached or the team has been bowled out. In the event of a tie dead heat rules as explained in Clause 1 of the General Cricket Rules might apply.
- 6) For "Most Fours/Sixes/Wides/Run-outs" betting, should the intervention of rain (or any other delay) result in the number of Overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets will be declared void granted that the reduction per Innings is of 3 or more Overs in a Twenty 20 match, and of 5 or more in other limited Overs matches. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.
- 7) For "Total Fours/Sixes/Wides/Run-outs" betting, should the intervention of rain (or any other delay) result in the number of Overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets will be declared void granted that the reduction per Innings is of 3 or more Overs in a Twenty 20 match, and of 5 or more in other limited Overs matches. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.
- 8) For "Winning Margin" bets are void if there is any reduction in the original scheduled Overs for either team.
- 9) Highest Individual Score bets are void if there is any reduction in scheduled Overs for either team unless a "Century" has already been scored.
- 10) In Team of Highest Individual Score there must be an official match result for bets to stand.
- 11) For "Team of Top Batsman" betting, should the intervention of rain (or any other delay) result in the number of Overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets will be declared void granted that the reduction per Innings is of 3 or more Overs in a Twenty 20 match, and of 5 or more in other limited Overs matches. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly. In the event of a tie, dead heat rules might apply as explained in Clause 1 of the General Cricket Rules.
- 12) For "Fifty/Century in Match" betting, should the intervention of rain (or any other delay) result in the number of Overs being reduced from those initially scheduled at the time the bet was accepted, then all open bets on Most Sixes/Run-Outs will be declared void granted that the reduction per Innings is of 3 or more Overs in a Twenty 20 match, and of 5 or more in other limited Overs matches. In case that the reduction per Innings is of 2 or less Overs in a Twenty 20 match, and of 4 or less Overs in other limited Overs matches bets will stand. Should the outcome of such offers be already decided before the interruption and no further play would possibly change the outcome of such bets, then these will be settled accordingly.

b. Test Matches/First Class Matches (including domestic cricket e.g. Sheffield Shield)

- 1) If a match is officially abandoned (e.g. due to dangerous pitch conditions) then all undecided bets on the match are void.
- 2) In "Match Result" betting in the event of a tie (where both teams have completed two innings each and have the same score) all bets to win on either team might be paid as a dead heat, as explained in Clause 1 of the General Cricket Rules, while bets on the draw are losing bets.
- 3) In "Draw No Bet" offers, bets are void if the match finishes in a draw or tie.
- 4) In "Double Chance" offers, bets will be void if the match finishes in a tie.
- 5) Settlement of "Most Points" offers will be based on who has most points awarded for the match (e.g. Sheffield Shield).

- 17) For "Fifty/Century/Double Century in match" in 'Home/Away 2nd Innings' of either Test or First class matches, bets will be void in case the number of Overs bowled for that Innings is less than 50, unless a result has already been determined.

c. Series/Tournament Betting

- 1) Should no draw odds be offered for a "Series Winner" bet and the series is drawn, all bets will be declared void.
- 2) If a tournament is not completed but a winner or winners are declared by the governing body, bets are paid on the winner(s) as declared (dead heat rules as explained in Clause 1 of the General Cricket Rules might apply). Should no winner be declared then all bets will be settled as void.
- 3) All tournament betting includes Finals, unless otherwise stated.
- 4) If for any reason, the number of matches in a Series is changed and does not reflect the number envisaged in the offer all "Series Correct Score" offers will be declared void.
- 5) In "Top Series Runscorer/Wicket Taker" offers where a tie occurs, dead heat rules apply, as explained in Clause 1 of the General Cricket Rules. No refunds will be issued on players not participating. At least one game must be completed in the tournament/series for bets to stand.
- 6) Bets referring to a particular player/teams' performances in a Series/Tournament will not take into account any statistics accumulated from warm-up matches.

11. Curling

- 1) Settlement of all bets referring to Curling will be based on the result after eventual extra innings, unless specifically specified.

12. Cycling (Track & Road)

- 1) Settlement of offers will be based upon the rider/team achieving the highest position at the end of the stage/event.
- 2) The decisive factor in settling bets will be the highest placing in the specified event as listed by the official organisation at the time of the podium presentation, disregarding subsequent disqualifications, changes to the official result, etc.
- 3) All "Head to Head" and "Over/Under" bets featuring the performance of one or more riders in an event/stage are considered valid given that all listed riders start the relative event/stage and at least one completes the said event/stage.
- 4) Bets referring to the outcome upon completion of the event require that the specified event is considered as completed in full and its result is declared, otherwise bets will be declared void, unless the result is already determined. In case the full number of stages for an event is not totally completed, or if the organizers decide to remove the result of certain stages from the computation of the official result, then the bets will be deemed valid granted that the number of the excluded stages does not exceed 25% of the pre-established number of stages (excluding prologue) at the beginning of the competition.
- 5) All bets will be deemed as valid provided that the Event, or the relative stage to which the bet refers to, is played within the same year, unless other arrangements have been agreed to.
- 6) Bets on performances in a particular stage stand regardless of any route modifications which the organizers might deem fit to consider and apply during the stage. Exception to this is the case where a stage which has particular characteristics (E.g.: a Mountains stage) is changed by the organizers, before the stage starts, into a stage which has other predominant characteristics (E.g.: Time Trial or low-lying stage). In such case bets which have been placed before the announcement of the change in stage concept will be declared void.
- 7) Unless otherwise specified, in a team/rider performance bet offer in a specific event (such as Total Stage wins by Team/Rider X in Tour Y) or "Head to Head" bet offers involving two riders/teams performances in specific events, occurrences happening in events which are given any of the following denominations will not count towards the settlement: Prologue, Team Time Trial.

13. Darts

- 1) All bets will remain valid as far as the match/offer is played within the tournament framework regardless of any changes in schedule, etc.
- 2) "Match" bet offers are based on the general principle of tournament progress or tournament win, depending on which phase of the competition the match refers to. The player progressing to the next round or winning the tournament is to be considered the winner of the bet regardless of match duration, withdrawals, disqualifications, etc, granted that the match actually starts.
- 3) "Over/Under" offers on unfinished matches/events the outcome of which is already determined before the interruption and/or any further continuance of play could not possibly produce a different outcome to said offers, will be settled based on the result achieved until the interruption. For the calculation of these settlements, the minimum amount of occurrences which should have been needed to bring the offer to the natural conclusion will be added as necessary depending on the number of legs which the match is scheduled for. Should this calculation produce a situation where no possible alterations could affect the outcome of the offer this will be settled as such. See examples from <Section C, para 27.3> for reference.
- 4) "Handicap" offers require all scheduled sets to be completed for bets to stand except in those events the outcome of which is already determined before the interruption and/or any further continuance of play could not possibly produce a different outcome to said offers which will be settled accordingly. See examples from <Section C, para 27.3> for reference.
- 5) All "Correct Score", "Odd/Even" and those offers which refer to the winner of a particular period in the match (example "E.g. Player to win the first set" or "First Player to reach X Sets") require the relevant part of the match to be completed.
- 6) All types of offers not specified above require at least one set to be completed for bets to stand, except for those offers the outcome of which is already determined before the interruption of play and any further continuation of play could not possibly produce a different outcome.
- 7) Offers combining a number of occurrences by a specific player/team within a match/event, require that all connotations related to the bet offer must be fully and unquestionably complied with. Should one or more parts of the offer end in a tie, bets will be settled as LOST.
- 8) All offers that refer to a "{x}+checkout" will be settled as yes on occurrences of the checkout of {x} or more inclusive. For example, the offer "100+Checkout – Leg 1" will be settled as yes, if there is exactly a 100 checkout in Leg 1

14. Soccer

- 1) First Goal Scorer – The bet refers to a specific player being the scorer of the first goal either during a particular timeframe of the event (E.g. "First goal in the match" or "First goal in the 2nd Half"), or else being the first scorer for his team (E.g. "First Goal Scorer – Team X"). Stakes will be refunded on players who do not take part in the match or else come on the field of play after the goal to which the bet refers to has been scored. Own goals do not count for the settlement of this offer. Should the goal to which the bet refers to be deemed as an own goal, the next player to score a goal which is not an own goal and conforms with the bet offer parameters will be deemed as the winning outcome. In case no goals (or no further goals, as applicable) is/are scored which are not own goals and fulfil the remaining bet offer parameters, all bets will be considered lost.
- 2) Last Goal Scorer – The bet refers to a specific player being the scorer of the last goal either during a particular timeframe of the event (E.g. "Last goal in the match" or "Last goal in the 1st Half"), or else being the last scorer for his team (E.g. "Last Goal Scorer – Team X"). Stakes will be refunded only on players who do not take part in the match at all. In all other instances bets will remain valid, irrespective of the time of inclusion/substitution of the player. Own goals do not count for the settlement of this offer. Should the goal to which the bet refers to be deemed as an own goal, the previous player to score a goal which is not an own goal and conforms with the bet offer parameters will be deemed as the winning outcome. In case no goals (or no previous goals, as applicable) is/are scored which are not own goals and fulfil the remaining bet offer parameters, all bets will be considered lost.
- 3) "Scorecast" and "Matchcast" are bet offers where it is possible to bet simultaneously on a particular occurrence (e.g. First Goal Scorer) combined with another from the same, or related event (e.g. Correct Score in the match, or match outcome). Should the bet refer to First or Last Goal Scorer, House Rules as stated in <Section C, Para 14.1> and <Section C, Para 14.2> will apply, where applicable. Stakes will be refunded on players who do not take part in the match at all. In all other instances bets will remain valid, irrespective of the time of inclusion/substitution of the player. Own goals do not count for the settlement of this offer.
- 4) Unless otherwise specified, or indicated in conjunction with the bet offer, all other goal-related bets will require the listed player(s) to play from the start of the match to be valid. Own goals will never count as a goal scored for any selected player.
- 5) "Head to Head" and "Over/Under" bets involving the performance of one or more players in the match are considered valid given that all listed players start the match for bets to stand.
- 6) "Head to Head" and "Over/Under" bets involving the performance of one or more players in the event/tournament are considered valid given that all listed players take part in the event/tournament at some stage for bets to stand.
- 7) All bets referring to aggregated Tournament Totals (such as Goals, Corners, etc.) will be settled based on official statistics by the governing association. Unless otherwise stated, cumulative amounts of such bets will include eventual prolongations (e.g. Extra Time) but not Penalty Shoot Outs.
- 8) Unless specifically stated, all bets referring to a particular team winning a number/selection of trophies in the same season will be based on the particular team's performance within the following competitions: the domestic league, the apparent equivalent of the respective FA Cup and League Cup as well as the Champions League or Europa League. Other trophies (e.g. domestic and European Super Cup, World Club Cup) do not count.
- 9) The "Domestic Double" is to be considered as the team's victory in the apparent equivalent of the respective domestic league and FA Cup.
- 10) During certain events the Operator might decide to offer for betting a reduced selection of participants (E.g. Any unlisted Team X player) or else a single participant as a representation of the whole squad (E.g. "Any Team X player"). In both cases for settlement purposes, all unlisted squad members are to be deemed as starters (and settled as such), including substitutes regardless whether they take part in the match or not.
- 11) Bets on the performance of players starting the match on the bench will be settled as void if the player is either listed in the starting XI or does not take part in the match at all.
- 12) On offers such as Next Player Occurrence (Goalscorer, Assist, etc.), Player Occurrence during a specified interval and Man of the Match, bets will be voided should the chosen player not take part in the match at all or had no possibility to accomplish such feat during the specified timeframe.
- 13) Bets on "Next Assist" for a particular goal will be settled as void should the governing association declare the specified goal as having been unassisted, the specified goal is an own goal and/or no more goals are scored in the match. Results for this offer will include any goals scored during eventual Extra Time but not during Penalty Shoot-outs.
- 14) Bets referring to penalty kicks conversion and/or outcome will be settled according to the outcome occurred on the field of play as per the rules governing that specific scenario and in cases of penalty shoot-outs will remain valid regardless of the format employed by the governing body during the shoot-out. Bets stand in case the penalty is ordered to be re-taken and will be settled with the outcome achieved from the re-taken penalty.

As a general principle, settlement will be based on the concept that unless the penalty kick results in a goal being awarded (and settled accordingly), the first person/object/location (as applicable) which the ball initially touches after being kicked will be considered as the winning outcome, disregarding any other persons/objects the ball hits in its subsequent trajectory following any previous deflection, if any. The following examples are being issued as a general guideline on settlement:

"Goal" would be the winning outcome in case of the following scored penalties scenarios:

- Any penalty kick which ends up as a goal without it being deflected;
- Goalkeeper touches the penalty kick but ball ends up as goal;
- Penalty kick touches the woodwork before ending up in goal.

"Save" would be the winning outcome in case of the following missed penalties scenarios:

- Goalkeeper deflects the penalty kick to outside the goal frame;
- Goalkeeper deflects the penalty kick onto the post/crossbar.

"Woodwork" would be the winning outcome in case of the following missed penalties scenarios:

- Penalty kick hits the woodwork before it is touched/saved by the goalkeeper;
- Penalty kick hits the woodwork and ball goes outside the goal frame.

"Any other Miss" would be the winning outcome in case of any penalty kick which without any deflection either by the goalkeeper or by the woodwork ends up outside the goal frame:

In case of penalty shoot-outs, should the ball hit the woodwork, bounce on the goalkeeper and end in goal, such penalty will be considered as having been scored while should said situation occur during any other part of the match which is not a penalty shoot-out, the penalty taker would be considered as having missed to score and "hitting the woodwork" will be considered as the winning outcome.

- 15) Any decision taken by the Video Assistant Referee (VAR) which conflicts with the original decision sanctioned by the officials on the pitch (including non-decisions like allowing play to continue before reviewing the video), thus altering the understood state of the match at the time of bet placement, will result in all bets placed in the timeframe between the actual occurrence of the original incident and the referee's final decision on the incident being deemed as void, unless the odds offered on the specific bet offer are unaffected by the use of VAR or have already been accounted for in the odds offered at the time of bet acceptance. Settlement on all other unrelated bet-offers, including those determined by any play between the time of the original incident and the decision following the VAR review, which are not influenced/alterd by the VAR decision will stand.

For resulting purposes VAR reviews are to be considered as having happened at the time of the original incident for which the VAR would be eventually used even if play has not been immediately interrupted. The Operator reserves the right, in accordance with <Section A, Para 6.2>, to reverse any previously settled offers where the settlement becomes inaccurate following the final referee decision, providing said decision is taken and communicated before the conclusion of the match and/or timeframe listed.

In order to avoid any doubts, the Operator will consider the VAR as having been used if it is understood from the referee's gestures (ex. hand gestures, stopping the match to review the incident themselves), and/or the VAR usage is confirmed by the match report issued by the official organization. In cases where it is unclear whether the VAR has been used due to missing TV coverage and/or conflicting reports, the Operator will settle the bets based on the information acquired from feed providers and generally reputable online sources on the basis of equity.

- 16) Any reference to "Free Kicks" both when presented as a single outcome, as well as an occurrence will also take into consideration instances awarded for offsidess and any other violation except those sanctioned with a penalty.
- 17) For selected events, and without prejudice to the Operator will allow users to place bets combining outcomes and occurrences from the same event (aka intra-event combinations), either through pre-established combinations present in its Sportsbook or through the Bet Builder functionality. Unless otherwise stated, either in conjunction with the bet offer or in the Sport-specific rules, settlement will be based as per the rules governing the particular sport the bet refers to. All listed occurrences must be fully accomplished for the bet to be considered as winning and any ties will be considered as a LOST outcome, unless otherwise stated within the offer (Example: A bet on Team X to win and have more than 8 corners will be considered as LOST should the listed team win and have exactly 8 corners). Should any part of an intra-event combination be settled as "VOID" in accordance with the respective Sport-Specific rules (Example: the intra-event combination included a bet on Player X to score but the listed player did not start the game when the Sport-Specific rules required them to), the related selections emanating from the same event will also be settled with odds 1.00. In cases of abandoned events, all pending bets will be settled as void with the exception of those the outcome of which has already been decided and no further play could produce a different outcome.

- 8) All "Head to Head" bet offers require all participants to start in the event/round to which the bet refers to.
- 9) In "Head to Head" bets featuring only two players, stakes will be refunded if both participants share the same finishing position and no draw option has been offered. In "Head to Head" bets featuring three players, should two or more participants share the same finishing position, stakes will be divided in accordance with <Section B, Para 5.19>.
- 10) Settlement of "Head to Head" bet offers involving the performance of two or more players (e.g. Best Finishing Position in the tournament) will be based upon the best finishing position/lowest score (as applicable) achieved in the relative event/round which the bet refers to.
- 11) Any reference to Make/Miss the "Cut" requires an official cut/exclusion effected by the organizers for bets to stand. In the case of tournaments where players are eliminated during more than one phase, settlement will be based on a whether the player has qualified or not following the first "Cut" made.
- 12) Disqualification/withdrawals by a player before the "Cut" is made, will result in the player being considered as having missed the "Cut". Disqualification/withdrawals subsequent to the "Cut" being made will be irrelevant towards the original settlement of the "Make the Cut" offers.
- 13) In "Head to Heads" based on the best finishing position in the tournament, in case one player misses the cut then the other player will be settled as the winner. If both participants fail to make the "Cut" the player with the lowest score at the "Cut" will be considered as the winner. Should both players fail to make the "Cut" with the same score then the bet will be void. A player disqualified after the "Cut" has been made is deemed to have beaten a player who has failed to make the "Cut".
- 14) Any reference to "Majors" will be based on the tournaments for that particular season to which the PGA attributes said definition, irrespective of any venue, date, or any other changes.

- 3) With the exception of the instances as detailed in <Section C, Para 16.4, addition or removal of title stipulations (example: a match initially announced as a non-title match gets changed into a title match) or changes in weight classes as well as either/both of the fighters fail to make the pre-established weight, will not result in the voiding of the offers as much as the fight takes place on the card it was announced for.

For bets on NASCAR, all markets will be settled based on the unofficial results first released by NASCAR. Any subsequent penalties, disqualifications, or appeals after and including the official post race inspection will not affect settlement.

- 5) For settlement purposes, bets will be settled as per events related to specified session within the bet offer, including, but not limited to, "Practice", "Qualifying", "Sprint Shootout", "Sprint", and "Race". In "Head to Head" bets all listed participants must take part in the session to which the bet refers to for bets to stand, irrespective of whether a driver manages to get an official time. - 13) Bets referring to specific teams' performance during the race require the initially stipulated number of vehicles from each team to start the race for bets to stand, otherwise they will be declared void (e.g. in Formula 1, two cars from each team should start the race).
- 14) Settlement of bets referring to the inclusion of the "Safety Car" will not take into account those occurrences in which the actual race starts behind the "Safety Car".
- 15) Settlement of offers on the first driver/car to retire will be based on the actual lap in which the driver is considered to have withdrawn from the race. Thus if two or more drivers retire during the same lap bets will be settled in accordance with <Section B, Para 5, Clause 14>.
- 16) Bets on the First/Next Driver to retire during the race will include only the outcomes deriving after the official start of the race. Any retirements/withdrawals previous to the actual start of the GP (including those during the warm-up lap) will not be considered for settlement purposes.
- 17) For NASCAR qualifying, the winner will be settled based on the qualifying session alone. Any subsequent penalties (e.g. cars to the rear) or alternate methods of determining the starting line-up will not apply to this market. If the session is cancelled due to weather or any other reason, all bets will be voided. A driver is deemed to have participated in qualifying if a penalty is applied prior to qualifying which prevents actual participation in the session.

- 7) All bets stand, regardless of change of venue.

25. Rugby Union

- 1) Unless otherwise specified all bets referring to the match and team performances, etc. are settled in accordance with the result at the end of the 2nd half (after 80 minutes play).
- 2) Certain competitions/events might have offers that are relevant to a specific period/match that can end in a draw, either at the end of the normal 80 minutes of play or even after eventual extra (over) time is played. In such cases bets are settled according to the so-called "dead-heat" rule where the payout would be calculated after the odds are divided and then multiplied by the stake, irrespective of whether the net payout is lower than the Customer's stake. Should such provision be in place it would be listed in conjunction with the bet offer.
- 3) Try Scorers (First/Last/Anytime/Team) – All bets include any potential extra (over) time. Any bets placed on players in starting 15 stand regardless of the player's participation (or lack thereof) in the match. Stakes on listed players not included in starting 15 will be refunded. In the event of no try scored in the match no bets shall be refunded. Penalty tries will not count. For "First Try Scorer" bet offers, should a penalty try be scored first, the scorer of the next non-penalty try will be settled. For "Last Try Scorer" bet offers, should a penalty try be the last try scored, the scorer of the last non-penalty try will be settled.
- 4) Unless otherwise specified, all other bets involving the performance of one or more players will require the listed participant(s) to play from the start of the match to be valid.
- 5) Settlement of player-related bets in match/event/tournament will be based on the result after potential over (extra) time, unless otherwise stated.

- 1) All bets will remain valid as far as the match/offer is played within the tournament framework regardless of any changes (either before or during the match), in conditions (indoor/outdoor) and/or surface types, unless other arrangements have been agreed.
- 2) "Match" bet offers are based on the general principle of tournament progress or tournament win, depending on which phase of the competition the match refers to. The player/team progressing to the next round or winning the tournament is to be considered as the winner of the bet regardless of match duration, withdrawals, disqualifications, etc. These bets require at least one set to be completed for bets to stand.
- 3) "Total" and "Handicap" offers on unfinished matches the outcome of which is already determined before the interruption of play and/or where any further continuation of play could not possibly produce a different outcome to said offers, will be settled based on the result achieved until the interruption. For the calculation of these settlements, the minimum amount of occurrences had the matches been completed without a retirement will be added as necessary depending on the number of sets which the match is scheduled for. Should this calculation produce a situation where no possible alterations could affect the outcome of the offer this will be settled as such. The following examples can be used for consideration:
 - Example 1 - Over/Under: A retirement occurs in a match scheduled for three sets with the score 7-6, 4-4. The offers: "Total Games Set 2 – 9.5" (or any lines lower than that amount) & "Total Games Played in the Match – 22.5" (or any lines lower than that amount) will be settled with "Over" bets as winning and "Under" bets as losing. Bets on lines higher than that will be settled as void.
 - Example 2 - Handicap: A retirement occurs at the start of the 3rd set in a match scheduled for 5 sets with the score at 1-1. Bets on +2.5 sets will be settled as Winners and bets on -2.5 sets will be settled as Lost. Offers on any lines lower than that amount will be settled as void.
 - Example 3 – A 'Best of 5' set match ends with Player A retiring with the score 6-2, 3-6, 1-4: Had Player A won all remaining games (should the match have continued without retirement), the score would have been 6-2, 3-6, 6-4, 6-0, making the margin 9 games. However, this is not the highest possible margin as the match could also have ended 6-2, 3-6, 6-7, 6-0, 6-0, making the margin 12 games. As such, any bets on -12.5 or higher are settled as lost and any bets on -11.5 or lower are settled as void.
- 4) All "Correct Score" (namely Set Betting and Game Betting), "Odd/Even", and those offers which refer to the winner of a particular period in the match (example "Which player will win the first set?" and "Set 2 – Game 6: Winner" require the relevant part of the match to be completed.
- 5) All type of offers not specified above require at least one set to be completed for bets to stand, except for those offers the outcome of which is already determined before the interruption of play and any further continuation of play could not possibly produce a different outcome.
- 6) In a Doubles match, all bets will be declared void if any of the stated players are being replaced.
- 7) Any reference to "Grand Slams" will be based on the tournaments for that particular season to which the ITF attributes said definition, irrespective of any venue, date, or any other changes.

- 8) Unless explicitly stated, all bets on Davis Cup matches will be voided in case it is decided that the match is played in any other format than "Best of 5 Sets", (e.g. Best of 3 Sets).
- 9) Offers relative to the Davis Cup are offered with the explicit assumption that the particular match-up will form part of the so-called "rubbers" for the next available Singles session, which usually consists of two Singles matches per session. All bets will be cancelled on matches which are intended for the first or second rubber (usually Friday Singles matches) which had the listed participants changed, regardless of the fact that the same encounter could actually happen during other match-ups of the same tie/round.
- 10) Results acquired in a "Pro Set" will be valid only for the following offers: "Match", "Set Handicap", "Set Betting" and "Total Sets". All other types of offers will be settled as void, with the exception of offers the outcome of which is already determined.
- 11) In cases where a "Match Tie-Break" is used by the organizing committee/federation as the deciding factor in determining the outcome of the match, said "Match Tie-Break" will only count as 1 "Game" as applicable. (Example: A match with the following scores: 6-4 (Set 1), 2-6 (Set 2) and 10-8 (Match tie-break) will be resulted in Participant/Team A winning 9 Games (6+2+1) while Participant/Team B will be considered as won 10 (4+6+0).

30. VOLLEYBALL

- 1) Any points tallied during the so called "Golden Set" will not count for the settlement of the offers relating to that particular match, with the exception of any bets referring to tournament progression and Tournament Totals.

- 3) "Head to Head" and "Over/Under" bets involving the performance of one or more players in the match/event/tournament are considered valid given that all listed players take part in the match/event/tournament at some stage.
- 4) "Over/Under", "Spread" and "Handicap" offers on unfinished matches the outcome of which is already determined before the interruption of play and/or where any further continuance of play could not possibly produce a different outcome to said offers, will be settled based on the result achieved until the interruption. For the calculation of these settlements, the minimum amount of occurrences which should have been needed to bring the offer to the natural conclusion will be added as necessary depending on the number of sets which the match is scheduled for. Should this calculation produce a situation where no possible alterations could affect the outcome of the offer, this will be settled as such. See examples from the tennis-section for reference.
- 5) All "Correct Score" offers, "Odd/Even", and those offers which refer to the winner of particular period/timeframe in the match (example "Which team will win the 1st set?" and "Set 2 – Race to 15 points" require the relevant part of the match to be completed.
- 6) All type of offers not specified above require at least one set to be completed for bets to stand, except for those offers the outcome of which is already determined before the interruption of play and any further continuation of play could not possibly produce a different outcome.
